## TOURNAMENT HOUSE RULEZ

**Tournament organizers retain the right to make changes in the schedule. In case of any changes you will be informed via the tournament board.**

- Please report **Game and Spirit** scores to the staff after each game.
- Let **Your Player Numbers to be Seen** to the scorekeepers after you assisted or made a point as we are writing it down.
- **Post-Game Talks can be done outside the fields.** For safety reasons, we ask that all players stay away from the free areas between the fields.

## OTHER INFORMATION:

Please help us keep the fields clean by **collecting all your trash in the bags** we provide. Due to very tight schedules, we ask those teams who are not playing in the next game to leave the fields. We don't lock the rooms so we assume you to keep your personal things with you by the fields. Take care that your personal belongings do not disturb the games and interfere players. If you break anything you pay for everything ;) !

## FIELDS:

The field size is 20 x 55; end zone is 10m deep; brick mark is 7 meters from the end zone and marked with an x.

## THE SPECIAL KICK TOURNAMENT RULES:

We are using UK Rules of Indoor Ultimate 2013 adapted from WFDF Ultimate Rules with some special Kick additions. Additional information here:  
<http://www.ukultimate.com/system/files/UKU%20Rules%20of%20Indoor%20Ultimate%202013.pdf>

All games in all rounds except the Open and Women division finals will be played to 11 points, 11 point is also a point cap. Time cap is 25 minutes. When time-cap is reached, finish the point. If no team has reached 11 points, add 1 to the leading score to set the new point cap. SOTG scores are collected from all the games ☺

### PAGACAP

Pagacap is used only in pool games. If one team leads by three or more points when time is up, then the game is over. If not, then one point is "added" to the highest score. The first team to reach that score will win. When the time cap is reached during a point, the point is still played, and then the pagacap rule is used. If time is up after a point has been scored, the next point is also played, and then the pagacap rule is used.

### LATE ARRIVAL TO GAME

The game clock will start immediately the field is free. If one or both teams aren't ready to play after the first three minutes, the team(s) will be penalized with one point for every minute they are late.

### CALLAHAN GOAL

A goal is scored when a player catches any legal pass in the end zone of attack.

### PULL

**Valid Pull:** A throw which passes through any part of a 2 m high box bounded by the receiving teams endzone without first touching any out-of-bounds object. In addition, pulls which have had contact with a receiver.

**Untouched valid pull will be played:**

- Where the disc stopped
- Where it left the field (\* even from the back line of the endzone, also when it lands in endzone and slides out)

**Untouched invalid pull will be played, either:** (Pull which has touched out-of-bounds object or left the endzone higher than 2 m)

- Where the disc stops
- Where it left the playing field proper
- Brickpoint (before taking the disc from the ground one must raise a fully extended arm over their head)

**Touched pull:**

- If you try to catch the pull but fail it will act like an untouched valid pull, no turnover occurs. (see above from where to play)
- If you contact the disc without trying to catch it, it will be a turnover.

## MORE RULES:

### TIME OUT

Each team has 1 time-out (one minute) per game. After a goal and prior to the ensuing Pull, either team captain may call a time-out. During the points only the person with the disc may call a time-out. No timeout may be called in the final five (5) minutes of a game. You'll hear the jingle which states 5 minute till the end of the game.

### STALL COUNT:

Stall Count is 8 seconds

### JINGLES:

We are using jingles to let you know when it's 1 minute to the game; when the games starts; when it's 5 minutes to play; when it's 1 minute game time left; and when the time cap is over.

### TIE BREAKERS

If two teams end up with the same number of points, you go to the head to head result. If three or more teams end up with the same number of points, you make a separate result table counting only the results of the games between the tied teams. If teams still are tied, you count goal difference in the games between the tied teams. After that goals scored, and finally goal difference counting all games.

### RULES IN FINAL GAMES

Games played to 13 points, no time cap. Halftime is on 6 points for 5 minutes. 2 time outs (one minute) in a game; 1 in both halftimes.

### NOTE:

As the game schedule is so tight and there are so many games per day, we plead you to leave the field immediately after game, so that the next game can begin on time.

## CAPTAINS!

IT IS YOUR RESPONSIBILITY TO MAKE SURE THAT  
EVERYONE IN YOUR TEAM KNOWS THESE RULES!!!

## SOME FACTS FOR YOUR OWN GOOD

### THE FIELD:

- The field temperature is a bit chilly so you might consider taking long base trousers and long sleeved shirt. On the grandstand there's 17 degrees so after games feel free to chill and watch the other games from there.
- The artificial grass is ok for normal cleats and of course for the arti.grass cleats too. The normal trainers might be a bit slippery. The field is newly built and with the high quality artificial grass.

### THE FOOD AND DRINK ON THE FIELD:

- **Hot water is provided with teabags and coffee for free with your own cup**, on the stands.
- 5 l water will be provided per team per day. The tap water is drinkable as well.
- Lunches will be given by the staff table at 12:00 on Saturday and 11:30 on Sunday. The food will be given to the whole team together.

### MEDALS:

- There will be given 8 medals per team ☺ ( but the extra medals will be ordered and will be sent to you ☺ )

### FIRST AID:

- The basic things are by the staff table (cold, bandages, wound disinfect stuff etc) If there's anything really serious ask the score keeper or somebody who speaks Estonian to call for an ambulance. There's no doctor on the field.

## MEDIA

### LIVE SCORE:

- We are updating the score here: <http://tfc-events.kkcorp.eu/> we try to be fast ;)

### LIVE STREAM:

- There's live stream available from the 3-rd place games and from the finals. On Sunday from 13:00 - 15:00 will be spreading the link on FaceBook.

### FILMING:

- We try to film all the games on the field 1 . Almost all the teams are presented on the field 1 ☺

### PHOTOS:

- There are many people making photos, so big smiles are welcomed. If you are making some as well, feel free to post them on Facebook event or e-mail to us.
